# ADMISSION PROCEDURES AND POLICIES

Creative Children Preschool & Kindergarten welcomes all families to participate in our preschool and kindergarten program without regard to race, color, religious affiliation, or national origin of ancestry.

Our program is licensed and planned for children ages 2 years to through 6 years of age. It is a policy of our school that a prospective parent must arrange an interview with the director or assistant director to visit the classrooms and play yards to discuss curriculum, discipline and techniques used to promote each child's developmental growth in our program.

Priority for enrollment is given to our continuing children and siblings. Application for sibling enrollment is a parent's responsibility and should be done well in advance. In case the enrollment is full, families who have been interviewed will be placed on a priority waiting list. They will be enrolled by the earliest application date and age.
